Burglar Resisting Safes

High levels of security need not be the privilege of the rich and the famous only. Or of high profile offices alone. Now you too can benefit from the same levels of security that have been enjoyed by countless number of people across the world.

With Matrix — the Range of Fire & Burglar Resistant Safes from Godrej, designed for the USA market, now being introduced all over the world.

The pioneers and leaders in providing security solutions in India for over a century now, Godrej has constantly endeavoured to create high quality products. The Matrix range is one such example.

Matrix excellence in security

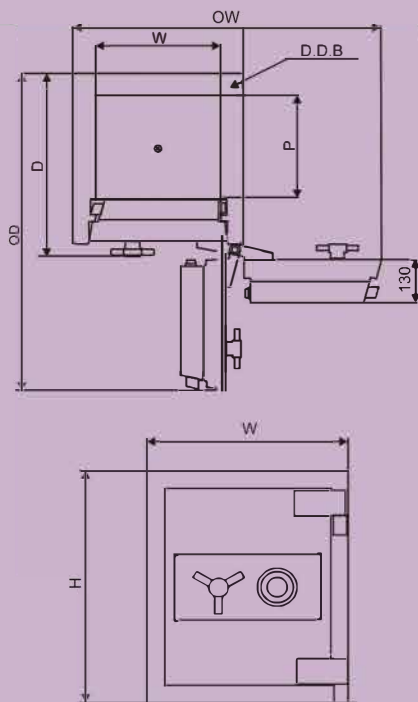

Matrix is a high quality fire and burglar resistant safe that offers high levels of security to apartments, private homes, businesses and executive offices. It is most suitable for commercial applications.

Sleek, compact and easy to operate, the Matrix comes in a range of four models to suit every need.

Some of the salient features of the safe are:

- Strong double-walled construction
- Option of 6-lever Key lock, 3-wheel Combination Lock or high security Digital Lock
- Adjustable shelves for convenience
- Double Duty Barrier provides fire as well as burglary resistance
- Ideal for cash, jewellery, watches, silver, credit cards, passport, cameras, important documents, etc.

(Absolute security, absolute peace of mind.)
